

Steve Faust, AICP

SENIOR PLANNER

Steve Faust has a diverse professional background that includes experience in land use, public engagement, facilitation, economic development, housing, transportation, strategic planning, research and GIS/data analysis. He specializes in designing and managing public engagement programs for land use issues. Mr. Faust has a master's degree in Urban and Regional Planning from Portland State University. Before joining COC, he worked for the Portland Bureau of Transportation researching and analyzing sustainable municipal infrastructure policy and practice. Prior to working for the City of Portland, he was a community organizer and executive director for the West Side Citizens Organization, a nonprofit neighborhood association in St. Paul, MN.
